

Chawanakee Unified School District
District School Leadership Team
10/23/14 Meeting

Agenda

1. Welcome

- a. In Attendance: Becky Cairns, Doug Waltner, Barbara Bigelow, Shane Hilterbrand, Heather Pincus, Jeran Ott, Kate Bethune, Tenaya Wave, Larry Wave, Gary Talley, Daniel Ching

2. Introductions

3. Update of new things happening at CUSD

- a. Grant for Robotics at MHS
- b. In-District vs. Out-of-District Kids- What is going on? Out of district kids perform better and are higher academically.
- c. Writing Curriculum Committee is formed. The team will review a variety of writing curriculum and/or training a decide what the district will use as a whole.
- d. New Math curriculum was ordered for TK-8th grade. TK-5 adopted My Math by McGrawHill and 6-8 adopted Go Math by HMH. It was suggested that an email be sent to the teachers regarding the resources available and to let parents know what is available.

4. Review of revised district benchmarks K-8

- a. 1st-8th Benchmarks were revised this year. There will be 4 assessments given. The one at the beginning and end of the year are the same. Teachers created the tests and pacing guides.

5. Review LCAP-

- a. The goals were reviewed as well as the steps that will be taken in year one. Team wants to make sure that articulation is happening. It was agreed that this needs to be top down and leader planned.

6. Complete DAS- Removed from Agenda

7. Technology

- a. Daniel gave a review. The team is set to meet on Nov.20th. Team is wanting more Ed Teach. Team mentioned that a district-wide tech audit may be necessary. Curriculum should drive the technology that is purchased and not the other way around.

8. MHS PI Status and Corrective Action

- a. MHS is PI Year 3. A corrective action needs to be completed now. They still need to offer SES to students. It was decided to increase CAHSEE support. A CAHSEE tutor will be hired with Title I money.

9. Schedule next meeting- Scheduled for Jan. 29th at MHS room 303 from 9-3

10. Other?

- a. Team wanted to know funding source for Curriculum
- b. Can we contract some of the work out for tech, categorical, etc
- c. Can the ed tech piece be paid with a stipend or as a TOSA

11. Adjourn
